

Purses Pumps and Pampering

March 27, 2008

Donations Sought To Support West Women's & Children's Shelter

Purses, Pumps & Pampering is an auction event designed to raise funds for the West Women's & Children's Shelter in Portland and we are looking for donations of items for the auction.

The event is designed to be an evening of women's indulgences; wine, chocolate and a large silent auction of purses, shoes, spa packages and other popular items. Name brand items, one-of-a-kind items and special packages are especially sought after, but, in the end, any donations will help us get to our goals.

How can you help us? On May 7, 2008 at the Wonder Ballroom - 250 women will come together to find those "must have" items and bid, outbid and bid again, all to help the cause. They will be looking for hot items, flashy items, name brand items and unusual items. For those women who want to seek out retailers after the event, we will prepare a book of donors to all attendees.

Purses. Donate a purse (or two!) to the silent auction. Purses will be auctioned and distributed the night of the auction. Please let us know what the retail value of the purse is so we can accurately advertise that information.

Shoes. Donate a pair of shoes (or two!) to the auction. As shoes are very size specific, we request that you allow the successful bidder to bring the pair of display shoes into your business to be properly sized. If for some reason a size cannot be accommodated, then please extend the patron a credit towards another pair of shoes.

Pampering. Donations of spa packages, nail services, beauty products and packages, jewelry and other products are all welcome.

If you would like to donate towards this very special event, please fill out and return the enclosed form to us by fax or mail. Physical items can either be sent to us, or we can arrange one of our staff or volunteers to pick them up.

Thank you for your consideration!

Sincerely,

Events Northwest, Inc.
